"I am Abstract in my means of communicating ideas, not because its "trendy", but because I want people to really think about and analyze what they are viewing.

I am not happy unless I am creating by some means.

I am inspired by the things I see around me and I strive to create beautiful, meaningful, complex and often bizarre pieces.

I am inspired by many Art movement and people including, Roman Cieślewicz, Salvador Dali, Escher, Massimo Vignelli, Saul Bass, Milton Glaser, Terry Gilliam, Bauhaus, Surrealism, Paul Rand, amongst many others."
