The Designer Promotionals Company announces they are offering wholesale pricing on their entire e-catalog via their website <http://www.DesignerPromotionals.biz>; providing apparel, accessories, and other promotional products to all residents of Michigan. With major business's closing their doors daily, and small local retailers shutting down by the hour, when a local business is able to stay open and keep offering their products it doesn't go without notice. Because of this, owner Patrick Granning has decided to extend a wide-sweeping discount as a personal note of thanks. In addition, with their recently re launched website, [www.DesignerPromotionals.biz](http://www.DesignerPromotionals.biz), Jones and company are now able to offer top promotional items at a discount beyond all competitor offerings. Granning hopes their affordable pricing, extensive product lists and shipping convenience will stand to set them apart from their competition. As one of Michigan's elite promotional marketing firms, Designer Promotionals has a substantial stake in the trends of the industry, and due to this they are offering their warehouse pricing as an example to all that high quality major quantity purchases can be done at warehouse pricing. &nbsp; Designer Promotionals.biz presents a multi-platform product list to their clients of: apparel, drink ware, key chains, writing instruments, post it notes, etc. As well as the ability to create a customized logo for implementation into the products to which their clients purchase. From the inception of the company, efforts have remained constant to cater towards those searching for great products at a great price without having to make bulk orders. &nbsp; Designer Promotionals.biz hopes their website will continue to provide quality promotional products, while generating a substantial branding mark and educating others on the inherent benefits of promotional marketing. According to a recent study, "76.1% of respondents could recall the advertiser's name on a promotional product that they had received in the past 12 months. In addition, 75.4% of respondents said they kept their promotional product because it was useful." &nbsp; Website: [www.designerpromotionals.biz](http://www.designerpromotionals.biz)
